

be within talking distance of them, but still I would not be fishing with them, because everyone is at liberty when they are fishing on the beach to move to another place where he can cast better, where he thinks he has a lucky place to fish.

BY MR. PALZER:

Q How far is this beach from your house?

A It is adjoining the front of my property. This is supposed to be my home.

BY MR. STUDER: Put "A" there, will you please.

A "A". This is our garage B. This is my boardwalk; the beach, ocean.

Q You have written beach and boardwalk where you have indicated?

A I have written it in where it is indicated.

BY MR. PALZER:

Q How wide is the boardwalk?

A The boardwalk at that time was 8 feet wide.

Q And how far from the door of--

A Our property runs to the boardwalk but this much of it, being down on the beach, is no use to it; it is really on the beach; we have a bulkhead here, see; that's a straight up and down bulkhead; that protects our property from extremely high tides that run up, the
